

About Brent Coon & Associates

Brent Coon & Associates was founded in 2001. Today, with 13 offices spanning the country, it is one of the largest trial law firms in the nation and the epitome of the 21st century law practice. Brent Coon & Associates employs over 60 aggressive litigators, with solid experience in individual and complex multi-party, occupational/environmental, health and personal injury cases. The majority of the firm's cases are referred from attorneys who have confidence in the firm's integrity, expertise and solid work ethic. For more information, visit www.bcoonlaw.com.

Drawing from young talent throughout the region, the firm is now comprised of over a dozen aggressive litigators, almost all with solid experience in handling complex multi-party cases, with an emphasis on occupational/environmental law and personal injury practice.

Our efforts in fighting the just cause have been recognized by both the national and international media, as well as our peers. Our alliances include both the well known and those lesser known who share our goal of absolute justice for all citizens of the world. We are proud of our international reputation of standing shoulder to shoulder with those who are too frightened, confused and/or too small to fight alone. We will use all of the firm's resources, legal, marketing and public relations talent to stand up and fight for those who cannot fight alone.

The case that best exemplifies the resolve of Brent Coon & Associates, LLC was *Rowe vs. BP Amoco Chemical Company, BP North America*.
